

## What is a benefit summary?

This is a summary of what the plan does and does not cover. This summary can also help you understand your share of the costs. It's always best to review your Certificate of Coverage (COC) and check your coverage before getting any health care services, when possible.

## What are the benefits of the Choice Plus Plan with an HSA?

### Get network freedom and an HSA.

A network is a group of health care providers and facilities that have a contract with UnitedHealthcare. You can receive care and services from anyone in or out of our network, but you save money when you use the network. You can save money when you use the health savings account (HSA) and the network.

- > **There's coverage if you need to go out of the network.** Out-of-network means that a provider does not have a contract with us. Choose what's best for you. Just remember out-of-network providers will likely charge you more.
- > **There's no need to choose a primary care provider (PCP) or get referrals to see a specialist.** Consider a PCP; they can be helpful in managing your care.
- > **Preventive care is covered 100% in our network.**
- > **You can open a health savings account (HSA).** An HSA is a personal bank account to help you save and pay for your health care, and help you save on taxes.

**Not enrolled yet?** Learn more about this plan and search for network doctors or hospitals at [welcometouhc.com/choiceplushsa](http://welcometouhc.com/choiceplushsa) or call **1-866-873-3903**, TTY **711**, 8 a.m. to 8 p.m. local time, Monday through Friday.

Co-insurance	Individual Deductible	Co-insurance
(Your cost for an office visit)	(Your cost before the plan starts to pay)	(Your cost share after the deductible)

If this Benefit Summary conflicts with the Certificate of Coverage (COC), Schedule of Benefits, Riders, and/or Amendments, those documents are correct. Review your COC for an exact description of the services and supplies that are and are not covered, those which are excluded or limited, and other terms and conditions of coverage.

### **What is co-insurance?**

Co-insurance is the amount you pay each time you receive certain Covered Health Care Services calculated as a percentage of the Allowed Amount (for example, 20%). You pay co-insurance plus any deductibles you owe. Co-insurance is not the same as a co-payment (or co-pay).

### **What is a co-payment?**

A Co-payment is the amount you pay each time you receive certain Covered Health Care Services calculated as a set dollar amount (for example, \$50). You are responsible for paying the lesser of the applicable Co-payment or the Allowed Amount. Please see the specific Covered Health Care Service to see if a co-payment applies and how much you have to pay.

### **What is Prior Authorization?**

Prior Authorization is getting approval before you receive certain Covered Health Care Services. Physicians and other health care professionals who participate in a Network are responsible for obtaining prior authorization. Colorado Plan 831

Standard Drugs: 15/45/90/350

---

Your Co-payment and/or Co-insurance is determined by the tier to which the Prescription Drug List (PDL) Management Committee has assigned the Prescription Drug Product. All Prescription Drug Products on the Prescription Drug List are assigned to Tier 1, Tier 2, Tier 3 or Tier 4. Find individualized information on your benefit coverage, determine tier status, check the status of claims and search for network pharmacies by logging into your account on [myuhc.com](http://myuhc.com)® or calling the Customer Care number on your ID card.

### Annual Deductible - Network and Out-of-Network

Individual Deductible	See Medical Benefit Summary
Family Deductible	See Medical Benefit Summary

### Out-of-Pocket Limit - Network

Individual Out-of-Pocket Limit	See the Medical Benefit Summary for the total Individual Out-of-Pocket Limit that applies.
Family Out-of-Pocket Limit	See the Medical Benefit Summary for the total Family Out-of-Pocket Limit that applies.

Out-of-Pocket Limit does not apply to Out-of-Network Charges, Ancillary Charges and Coupons.

A deductible and out-of-pocket limit may apply. Please refer to the medical plan documents for the annual deductible and out-of-pocket limit amounts, which include both medical and pharmacy expenses. This means that you will pay the full amount we have contracted with the pharmacy to charge for your prescriptions (not just your co-payment), until you have satisfied the deductible. Once the deductible is satisfied, your prescriptions will be subject to the co-payments outlined below. If you reach the out-of-pocket limit, you will not be required to pay a co-payment.

This summary of Benefits is intended only to highlight your Benefits for Outpatient Prescription Drug Products and should not be relied upon to determine coverage. Your plan may not cover all of your Outpatient Prescription Drug expenses. Please refer to your Outpatient Prescription Drug Benefit and Certificate of Coverage for a complete listing of services, limitations, exclusions and a description of all the terms and conditions of coverage. If this description conflicts in any way with the Outpatient Prescription Drug Benefit or the Certificate of Coverage, the Outpatient Prescription Drug Benefit and Certificate of Coverage shall prevail.

Benefit Plan Co-payment/Co-insurance - The amount you pay for Prescription Drug Products.

\* Only certain Prescription Drug Products are available through mail order; please visit [myuhc.com](http://myuhc.com)<sup>®</sup> or call Customer Care at the telephone number on the back of your ID card for more information. If you choose to opt out of Mail Order Network Pharmacy but do not inform us, you will be subject to the Out-of-Network Benefit for that Prescription Drug Product after the allowed number of fills at the Retail Network Pharmacy.

\*\* You will be charged a retail Co-payment and/or Co-insurance for 31 days or 2 times for 60 days based on the number of days supply dispensed for any Prescription Order or Refills sent to the mail order pharmacy. To maximize your Benefit, ask your Physician to write your Prescription Order or Refill for a 90-day supply, with refills when appropriate, rather than a 30-day supply with three refills.

For Specialty Drugs from a Non-Preferred Pharmacy, you will be required to pay 2 times the Preferred Specialty Network Pharmacy Co-payment and/or 2 times the Preferred Specialty Network Pharmacy Co-insurance (up to 50% of the Prescription Drug Charge) based on the applicable Tier.

An Ancillary Charge may apply when a covered Prescription Drug Product is dispensed at your or the provider's request and there is another drug that is Chemically Equivalent. When you choose the higher cost drug of the two, you will pay the difference between the higher cost drug and the lower cost drug in addition to your Co-payment and/or Co-insurance that applies to the lower cost drug. The Ancillary Charge may not apply to any Out of Pocket Limit.

## Other Important Information about your Outpatient Prescription Drug Benefits

The amounts you are required to pay is based on the Prescription Drug Charge for Network Benefits and the Out-of-Network Reimbursement Rate for out-of-Network Benefits. For out-of-Network Benefits, you are responsible for the difference between the Out-of-Network Reimbursement Rate and the out-of-Network Pharmacy's Usual and Customary Charge. We will not reimburse you for any non-covered drug product.

For Prescription Drug Products at a retail Network Pharmacy, you are responsible for paying the lowest of the applicable Co-payment and/or Co-insurance, the Network Pharmacy's Usual and Customary Charge for the Prescription Drug Product or the Prescription Drug Charge for that Prescription Drug Product. For Prescription Drug Products from a mail order Network Pharmacy, you are responsible for paying the lower of the applicable Co-payment and/or Co-insurance or the Prescription Drug Charge for that Prescription Drug Product. See the Co-payments and/or Co-insurance stated in the Benefit Information table for amounts.

For a single Co-payment and/or Co-insurance, you may receive a Prescription Drug Product up to the stated supply limit. Some products are subject to additional supply limits based on criteria that we have developed. Supply limits are subject, from time to time, to our review and change.

Specialty Prescription Drug Products supply limits are as written by the provider, up to a consecutive 31-day supply of the Specialty Prescription Drug Product, unless adjusted based on the drug manufacturer's packaging size, or based on supply limits, or as allowed under the Smart Fill Program. Supply limits apply to Specialty Prescription Drug Products obtained at a Preferred Specialty Network Pharmacy, a Non-Preferred Specialty Network Pharmacy, an out-of-Network Pharmacy, a mail order Network Pharmacy or a Designated Pharmacy.

Certain Prescription Drug Products for which Benefits are described under the Prescription Drug Benefit are subject to step therapy requirements. In order to receive Benefits for such Prescription Drug Products you must use a different Prescription Drug Product(s) first. You may find out whether a Prescription Drug Product is subject to step therapy requirements by contacting us at [myuhc.com](http://myuhc.com)<sup>®</sup> or the telephone number on your ID card.

Before certain Prescription Drug Products are dispensed to you, your Physician, your pharmacist or you are required to obtain prior authorization from us or our designee to determine whether the Prescription Drug Product is in accordance with our approved guidelines and it meets the definition of a Covered Health Care Service and is not an Experimental or Investigational or Unproven Service. We may also require prior authorization to be obtained from us or our designee so we can determine whether the Prescription Drug Product, in accordance with our approved guidelines, was prescribed by a Specialist.

If you require certain Prescription Drug Products including, but not limited to, Specialty Prescription Drug Products, we may direct you to a Designated Pharmacy with whom we have an arrangement to provide those Prescription Drug Products. If you choose not to obtain your Prescription Drug Product from the Designated Pharmacy, you may opt-out of the Designated Pharmacy program by contacting us at [myuhc.com](http://myuhc.com)<sup>®</sup> or the telephone number on your ID card. If you want to opt-out of the program and fill your Prescription Drug Product at a non-Designated Pharmacy but do not inform us, you will be responsible for the entire cost of the Prescription Drug Product and no Benefits will be paid. If you are directed to a Designated Pharmacy and you have informed us of your decision not to obtain your Prescription Drug Product from a Designated Pharmacy, you may be subject to the Out-of-Network Benefit for that Prescription Drug Product. For a Specialty Prescription Drug Product, if you choose to obtain your Specialty Prescription Drug Product at a Non-Preferred Specialty Network Pharmacy, you may be subject to the Non-Preferred Specialty Network Co-payment and/or Co-insurance.

You may be required to fill the first Prescription Drug Product order and obtain 2 refills through a retail pharmacy before using a mail order Network Pharmacy.

If you require certain Maintenance Medications, we may direct you to the Mail Order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy to obtain those Maintenance Medications. If you choose not to obtain your Maintenance Medications from the Mail Order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy, you may opt-out of the Maintenance Medication Program by contacting us at [myuhc.com](http://myuhc.com)<sup>®</sup> or the telephone number on your ID card. If you choose to opt out when directed to a Mail Order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy but do not inform us, you will be subject to the out-of-Network Benefit for that Prescription Drug Product after the allowed number of fills at Retail Network Pharmacy.

Certain PPACA Zero Cost Share Preventive Care Medications that are obtained at a Network Pharmacy with a Prescription Order or Refill from a Physician are payable at 100% of the Prescription Drug Charge (without application of any Co-payment, Co-insurance, Annual Deductible, or Annual Drug Deductible) as required by applicable law. You may find out if a drug is a PPACA Zero Cost Share Preventive Care Medication by contacting us at [myuhc.com](http://myuhc.com)<sup>®</sup> or the telephone number on your ID card.

Benefits are provided for certain Prescription Drug Products dispensed by a mail order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy. The Outpatient Prescription Drug Schedule of Benefits will tell you how mail order Network Pharmacy and Preferred 90 Day Retail Network Pharmacy supply limits apply. Please contact us at [myuhc.com](http://myuhc.com)<sup>®</sup> or the telephone number on your ID card to find out if Benefits are provided for your Prescription Drug Product and for information on how to obtain your Prescription Drug Product through a mail order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy.
